TEN YEARS LATER...

These Zines were created as part of the Breaking the Binary Code project. This project focused on challenging binary constructs of gender and sexuality and promoting healthy, safe and respectful relationships.

The Sexual Assault & Family Violence Centre were the lead organisation for this project and worked with project partners BATForce, City of Greater Geelong and Creative Geelong Inc. This project was funded by the Victorian State Government.

We acknowledge and thank those whose voices and feedback throughout the Breaking the Binary Code project have been integral to this work.
