

OUR VISION

Our vision is for a community free from family violence and sexual assault, and a society underpinned by the principles of gender equality, social justice and human rights.

OUR PURPOSE

Provide services underpinned by a feminist philosophy that are empowering, respectful and inclusive, and which address barriers to service access.

Provide high-quality, sensitive and responsive services to women and children who have experienced and been impacted by family violence and to people who have experienced and been impacted by sexual assault.

Design and implement effective evidence-based prevention of violence against women and gender equality programs and initiatives.

Contribute to the evidence base and social policy frameworks which inform effective service provision.

Contribute to the systematic and social change necessary to eliminate family violence and sexual assault.

OUR VALUES

Respect | Integrity | Innovation
Collaboration | Commitment

As we head towards 2023, our focus is on the following five key goals

Primary prevention

We are an established gender equity and primary prevention provider across the Barwon area and Wimmera region.

Support and Resources

We provide appropriate and contemporary support and resources in a timely manner to all people who connect with our organisation.

Evidence

All of our services and programs contribute to an organisation wide evidence base that is used for strategic decision-making, service delivery and to influence policy.

Partnerships

We are visible and seen positively by partners, funders and investors and our relationships with them improve outcomes for individuals and communities, and influence systems change.

Sustainability

Our organisation has transformational capability, and is effective and viable.
