### About The Sexual Assault & Family Violence Centre (The SAFV Centre)

The Sexual Assault & Family Violence Centre (The SAFV Centre) was established in 1978 and continues to grow, delivering integrated specialist response, early intervention, education and prevention services and programs.

Supporting the Victorian community throughout Barwon, Wimmera, and the South West regions, we offer a specialist range of support services to all people impacted by sexual and family violence, encompassing 24 hour crisis care, case management, therapeutic counselling and group programs, early intervention programs, refuge and housing support, legal services, professional training and primary prevention initiatives. We also provide specialised support for all victims of crime through the Victims Assistance Program for Barwon and the South West.

Working across multiple sites and locations, including co-location within the Barwon Multi-Disciplinary Centre, The Orange Doors in Barwon and the South West, outreach locations and within the locally known service Emma House in Warrnambool, our unique combination of services allows us to respond to those that need us, supporting them throughout their journey toward recovery and resilience, while also educating and working with our communities for gender equality to prevent violence from happening in the first place.

We are a collaborative organisation where work is rewarding and team spirit permeates strong culture, values and a client-first focus. At The SAFV Centre, you have the opportunity to professionally grow, flexibility to enjoy your personal commitments, and a connection to purpose that makes a difference to our community.
